

# Hinton's Hikers

## Parent Information Sheet

Hey Parents!!

My name is Mrs. Hinton and I am so excited to be teaching your future third grader!

I have taught 3<sup>rd</sup> grade on Track 1 for the past four years here at Morrisville. I have my degree in early childhood, elementary, and special education from Samford University. I have taught a wide range of learners and you can read more about me on our classroom website!

### Best way to contact Mrs. Hinton:

[khinton2@wcpss.net](mailto:khinton2@wcpss.net) – I check my email between 7:30-9:15, 10:20-11:00, and 3:30-5:00. This is a great way to get in touch with me but I cannot guarantee a response except for during these times.

For transportation changes, please call the front office. This will ensure your child will get the information needed by dismissal.

**School Phone Number:** 919-460-3400 (main office)

Our main hub will be our classroom website:

[www.hintonhikers3.weebly.com](http://www.hintonhikers3.weebly.com)

This will be where you can find resources throughout the year, homework for the week, learning targets, and more!

**\*\*Please fill out the student information form online\*\***

## 1 Million Words (or less)

Parent Homework Assignment (Due July 9, 2018)

This is my favorite assignment for the year – You can write it out to me or email it to me at [khinton2@wcpss.net](mailto:khinton2@wcpss.net). I look forward to learning more about you and your child as we gear up for a great year in third grade! Please try to email me this over track out so that I can get a head start at figuring out your child's strengths and weaknesses. **This is not required** but I would love to hear from you about your child!

- Tell me anything you think I need to know about your child
- What are you concerned about academically, socially, emotionally, and developmentally, - anything!
- Things that you want for your child this school year – what do they need to work on, become better at, etc.
- What are your child's strengths, weaknesses, hobbies, skills, favorites, and anything else you think to include!
- Does your child struggle at home or at school? Be specific so that we can try to create a way to try and solve these problems this year.

If you have any questions, please let me know. I look forward to seeing your third graders on July 9, 2018 on our first day of school!!
